Singin' in the Rain is based on the 1954 film which the American Film Institute named the #1 Greatest Movie Musical of all time and The New York Times called "The happiest movie musical ever made." Exhilarating dance numbers, a toe-tapping score, and an effervescent love story create a delightful stage production that honors both MGM's magnificent movie musicals of the 1940's and their revolutionary birth of the talking motion picture. The joyous musical will leave audiences with a "glorious feeling," wishing for a downpour just so they can go singin' and dancin' in the rain!
- Reserved seating at Chicago's historic Noble Horse Theatre for the production of "The Nutcracker" – the only theater in North America to perform this historic version on horseback! This narrative performance features the beloved Clara, The Mouse King, The Sugar Plum Fairy, Tchaikovsky's unforgettable music, and trick riders from around the world! See beautiful fairies on horseback, toy soldiers battling the mouse army, and their amazing white stallions.
